Helping You Succeed Financially

How much can YOU save?

See how many hidden dollar signs (\$) you can find in this photograph. The solution is at the bottom of this flyer!

RAKE IN THE FALL SAVINGS

Let Us Show You How: Vehicles • Homes • Credit Cards

1. **Looking for a new vehicle?** We have the perfect rate and term for you – JUST ASK US! We can also refi your existing vehicle loan from another financial institution *FOR FREE* and save you money monthly – again JUST ask us!

2. **Mortgage rates** lowest in 40 years – refi and *SAVE BIG*. If you're purchasing a new home, consider an ARM!

3. **VISA balance transfer** – increase your purchasing power AND lower your payments!

Federally insured by the NCUA.

Solution: There are a total of eight dollar signs in the picture – on the left brick wall; in the green trees at the left; at the base of the fourth tree from the left; toward the top of that same tree; at the top of the first tree from the right; on the fourth tree from the right; near the right lamp; in the wagon wheel on the right.
